### Agenda Items

- *Introductions*  
Chair Gilgun welcomed CCWG members and public attendees.
- *Process Feedback & Public Forum Planning*  
Brendan Reed (staff) solicited feedback from CCWG members on the meeting format and content, to date. Members requested that more time be designated for an open discussion within the group about their initial feedback on presented adaptation options. City staff also solicited CCWG members' feedback on their public forum tentatively scheduled for end of April. Members suggested that the public forum be scheduled for Wednesday (3/21) as opposed to Thursday (3/22). Southwestern College offered to host the event on their campus and CCWG members generally supported the proposed forum location.
- *Presentations:*  
*Public Health Services* – Paula Murray (County of San Diego) presented the region's current public health programs and services as well as some expected impacts from climate change.

*Wildfire Prevention & Response* – Justin Gipson and Paul Hyde (staff) briefed the group on the Chula Vista Fire Department’s prevention activities related to wildfires.

*PH/Wildfire-Related Climate Change Impacts* – Paula Stigler (San Diego Foundation) provided some additional insight into potential climate change impacts on local public health and wildfire occurrences. Ms. Stigler also briefly reviewed the list of adaptation strategies.

- *Public Comment*  
There were no comments from members of the public in attendance.
- *Next Meeting*  
CCWG members approved the next meeting date (Wednesday, March 24<sup>th</sup>) and location (Chula Vista Nature Center).
